MILWAUKEE COUNTY CHAIRWOMAN CONGRATULATES PRIMARY WINNERS
Dimitrijevic Looks Ahead to Working Together for Milwaukee County

Milwaukee, WI – Milwaukee County Board Chairwoman Marina Dimitrijevic released the following statement regarding the results of Tuesday night's primary elections:

"I would like to extend my congratulations to the winners of primary elections within Milwaukee County. The victory of Milwaukee Supervisor Nikiya Harris will make her the second former Supervisor -- along with Senator Chris Larson -- to serve in the current Wisconsin State Senate."

"As Chairwoman, I look forward to working with the individuals elected by Milwaukee County residents to serve as their state Representatives and Senators in Madison and to represent their interests at the Capitol."

"Together, with a unified message, we can work to best respond to the wishes and needs of residents as the Board awaits delivery of the Milwaukee County Executive 2013 Recommended Budget. We continue to hear Milwaukee County residents call for protection of Milwaukee County services, such as Transit, Parks and Mental Health."

"Recognizing that Milwaukee County is the economic engine of Wisconsin, the Milwaukee County Board is committed to partnering with the State and the new Milwaukee County delegation to preserve and to enhance services and to create a dedicated funding source for Transit."
